

Is Appropriation Appropriate?

Questions that you need to be open:

<https://www.youtube.com/watch?v=6dIQW4DRp8>

>What is it?

>How does it support the work of an artist?

>What is it used for?

>How can you show yourself as an artist, by using the work or ideas of someone else?

>What is the difference between representation, presentation and re-presentation.

Articles that explore the idea of Appropriation:
